Ballot Box.

The undersigned owners of lots in Spruce Creek South have formed an Organizing Committee to revitalize the governing documents for the Spruce Creek Subdivision. As you may know, the Spruce Creek South Subdivision (the “Community”) is governed by a Declaration of Protective Deed Restrictions and Covenants for Spruce Creek South (the “Declaration”). The Declaration sets forth covenants that provide for owners in our Community to use certain amenities and receive certain services. In addition, the Declaration sets forth restrictions designed to preserve the aesthetic of the Community and maintain property values.

The initial Declaration governing Phase I of the Spruce Creek South Community was recorded in 1989 and subsequent supplemental or amended declarations have been recorded over the years. Florida law provides that community covenants may expire if not preserved within 30 years following the root of title¹ if certain conditions or exceptions are not met. The Declaration has undergone numerous amendments and supplements throughout the past 30 or more years and we believe the Original Declaration, as amended, should be revitalized pursuant to section 720.405, Florida Statutes. At present the Declaration continues to govern phases 7-18 and many of the homes in phases 1-7. If not revitalized, the Declaration could cease to govern some lots and there is a long list of reasons why this would be horrible for all involved.

¹ “Root of title” means any title transaction purporting to create or transfer the estate claimed by any person which is the last title transaction to have been recorded at least 30 years before the time when marketability is being determined.

As part of the revitalization process, the Original Declaration and its various amendments have been consolidated into a single, manageable document, which is titled “Revitalized Amended and Restated Declaration of Protective Deed Restrictions and Covenants for Spruce Creek South” (“Revitalized Declaration”). The Revitalized Declaration does not change the existing rights, the assessment procedures, or the amendment procedures.

To revitalize the Declaration a majority of the Lot Owners must consent to the Revitalized Declaration. Accordingly, a copy of the following documents are enclosed for your review:

- (i) written consent form;
- (ii) proposed Revitalized Declaration;

To the extent that you have questions regarding the revitalization process, the Organizing Committee has scheduled a “Town Hall” meeting on Thursday, March 30 at 2:00p.m. and 6:00p.m. to provide additional information and answer questions regarding this process. Also please feel free to contact any of the members listed below:

The Organizing Committee requests that you review the enclosed Revitalization Package and return the enclosed completed written consent approving the Revitalized Declaration prior to April 30, 2023. A self-addressed stamped envelope has been enclosed for your convenience.

Very truly yours,

Organizing Committee Members,

Property Subject to this Declaration **and** **Additions to Subject Property**

Section 1. Subject Property. The Subject Property, as heretofore defined and any improvements now or hereafter constructed thereon, shall be held, transferred, sold, conveyed and occupied subject to this Declaration.

Section 2. Additions to Subject Property. The DEVELOPER may from time to time, at any time, and in its sole and absolute discretion cause additional lands to become subject to this Declaration, which additional lands have been herein above defined as Additions to Subject Property; and until such time as such additions are made to the Subject Property in the manner hereinafter set forth, no real property other than the Subject Property shall be affected by or become subject to this

Declaration. Until such time as any portion of such property is submitted to the terms of this Declaration by recordation of a Supplemental Declaration extending the scheme of the Declaration to said property, the DEVELOPER shall not be obligated to submit such property to this declaration or make such property a part of SPRUCE CREEK SOUTH. However, in the event DEVELOPER submits such property to this Declaration, DEVELOPER shall have such rights regarding such property as are provided in this Declaration and the Supplemental Declaration to which such property is subject.

Section 3. Supplemental Declaration of Covenants and Restrictions. Each of the additions to Subject Property authorized under this Article shall be made by the DEVELOPER by filing of record a Supplemental Declaration of Covenants and Restrictions with respect to those Additions to the Subject Property which shall subject those particular Additions to the Subject Property to the scheme of the covenants and restrictions of this Declaration as such scheme may be hereafter modified or amended as provided for herein or in said Supplemental Declaration of Covenants and Restrictions. Such additions shall be made whenever the DEVELOPER in its sole and absolute discretion deems appropriate, but in no event shall any Supplemental Declarations making additions to SPRUCE CREEK SOUTH be recorded after thirty (30) years from the date this Declaration is recorded in the Public Records of Marion County, Florida. Such Supplemental Declaration shall be made by DEVELOPER and shall not require consent of any person or entity, including without limitation, any OWNER, Member, mortgagee of a Lot or Residence, or the Association. Such Supplemental Declarations may contain such additions and modifications to these Declarations and additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the Additions to Subject Property. The OWNER of each Lot located in any Additions to Subject Property shall become a Member of the Association when the Supplemental Declaration of Covenants and Restrictions submitting the Additions to Subject Property in which the Lot is located in the terms of this Declaration, is recorded in the Public Records of Marion County,

Florida. At and after that time the owner may exercise all rights of a Member of the Association, including the right to vote, and shall become subject to the terms and conditions of the Declaration as provided in the Supplemental Declaration, including without limitation the obligation for payment of assessments as provided therein. No owner shall have any greater or lesser rights than any other owner or the DEVELOPER in any Common Area which encumbers such OWNER'S lot. The DEVELOPER reserves the right to promulgate and enforce written or posted rules and regulations regarding the use of streets, roads and sidewalks within the development by all persons operating a vehicle. The failure of any guest, tenant, or other invitee of an Owner to abide by the written or posted vehicle and traffic

control devices or signs may result in the loss of that person's right or permission to use the streets, roads and sidewalks of the development.

Section 2. Cross Easement Rights in the Common Areas. It is the intention of the DEVELOPER that SPRUCE CREEK SOUTH will be divided into separate Lots. At the time a Supplemental Declaration of Covenants and Restrictions are recorded in the Public Records of Marion County, Florida, bringing any of the Additions to Subject Property into SPRUCE CREEK SOUTH, all OWNERS in SPRUCE CREEK SOUTH, whether in any plat for the Subject Property or the plat for any additions to Subject Property, shall have a right and perpetual nonexclusive easement of enjoyment and use in all the Common Areas in SPRUCE CREEK SOUTH, regardless of where the Common Areas are located, and such easement shall pass with title to every Lot and shall not be separated from lot ownership.

Section 3. Recreation Areas. DEVELOPER intends to construct certain improvements on the Recreational Areas for the use of the Owners and other persons. DEVELOPER reserves the right to grant some or all of the OWNERS in any Additions to Subject Property into SPRUCE CREEK SOUTH developed after the Subject Property, the right to use some or all of the Recreational Areas on a non-exclusive basis with OWNERS in the Subject Property and likewise DEVELOPER reserves the right to allow some or all of the OWNERS in the Subject Property to use some or all of the Recreational Areas in any Additions to Subject Properties

Section 4. Delegation of Use. Any OWNER may delegate his right of enjoyment to the Common Areas and Recreation Areas to the members of his family, his bona fide guests (defined as any guest staying with the owner for twenty-four (24) hours or more), and his tenants, who reside in his Residence, subject to such rules and regulations that may be established from time to time by the DEVELOPER.

Section 5. Rules and Regulations. DEVELOPER shall have the right in its sole and absolute discretion to adopt, modify, amend and terminate at any time and from time to time rules and regulations for the use of Common Areas and the Recreation Areas, including the promulgation of

written rules and the posting of traffic control devices and signs regulating the use of streets, roads and sidewalks of the development. DEVELOPER shall also have the right to enforce the traffic regulations by terminating the right of a guest, tenant or other invitee permitted access to the development by the DEVELOPER to use said streets, roads or sidewalks if that person has been determined by the DEVELOPER to have violated the promulgated rules or posted traffic control devices which are designed to protect the safety of all persons who have access to and use of the streets, roads and sidewalks of the development.

ARTICLE IV

The Association

Section 1. Association. Spruce Creek South Homeowners' Association, Inc. (the "Association"), a Florida Corporation not-for-profit, has been organized to provide for organizing the recreational, social and cultural activities of SPRUCE CREEK SOUTH, which Association is not intended to be a "Condominium Association" as such term is defined and described in the Florida Condominium Act (Chapter 718 of the Florida Statutes), nor is the Association a Homeowners' Association as defined in Florida Statutes, Chapter 720.

Section 2. Membership. Every OWNER of a Lot and the DEVELOPER shall be a member of the Association. Except in the case of DEVELOPER, membership shall be appurtenant to and may not be separated from ownership of any Lot or Residence.

ARTICLE V

Membership in the Association

Section 1. Membership. The Members of the Association shall consist of the DEVELOPER and all OWNERS of the Lots within the Properties. Any person or entity who holds an interest merely as security for the performance of any obligation shall not be a Member, unless they have obtained record title to the Lot by foreclosure or deed in lieu of foreclosure.

Section 2. Change of Membership. Change of membership in the Association shall be established by recording in the Public Records of Marion County, Florida, a deed or other instrument establishing a record title to a Lot in the Properties. The OWNER designated by such instrument thus becomes a Member of the Association and the membership of the prior owner is terminated. The new OWNER shall notify the Association and the DEVELOPER of the recording of the deed or other instrument establishing record title and shall furnish the Association and DEVELOPER a certified copy of such instrument.

ARTICLE VI

Covenants for Maintenance Assessments

Section 1. Purpose of Assessments. The assessments levied by the DEVELOPER shall be used in the sole and absolute discretion of the DEVELOPER for the purpose of promoting the recreation, health, safety and welfare of the residents of SPRUCE CREEK SOUTH, including, but not limited to, reasonable profit for the DEVELOPER or its assigns, recoupment of capital improvement costs, interest expenses, depreciation, the payment of taxes and insurance for the common and recreational areas, constructing, maintaining, operating, repairing and replacing improvements on the Common Areas and Recreational Areas; enforcing the Covenants and Restrictions; and for the maintenance, operation, repairing and replacing of properties, services and facilities which have been or subsequently may be constructed, installed or furnished, which are devoted to the purpose and related to the use and enjoyment of the Common Areas and Recreational Areas. Assessments levied include, but are not limited to, the payment of taxes and insurance for the Common Areas and Recreational Areas, and repair replacements and additions thereto, and for the cost of labor, professional fees, equipment, materials, management and supervision thereof. The assessments may also be used for maintaining the lawns and landscaped areas of the Common Areas and Recreational Areas, for all utility costs including electricity, water, gas and telephone and used in connection with the foregoing, garbage and trash collections, twenty-four hour privacy service, cable television

reception service, and for the repair and maintenance of the facilities. The assessments may also provide reasonable reserves for deferred maintenance and replacements, for construction of Common Areas, Recreation Areas, and shall also be used as a means of enforcing compliance with these restrictions. These assessments are fees for those services provided by the DEVELOPER, and are not intended to represent a prorated share of the actual expense and the DEVELOPER is entitled to retain any excess amounts collected from the Owners over costs and expense in providing such services.

Section 2. Assessments. Each OWNER of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, hereby covenants and agrees to pay to the DEVELOPER:

(1) an annual assessment payable in advance in equal monthly installments on the first day of each month. Such assessments shall be for any costs and expenses relating in any way to any of the items described on Section 1 above other than for road and drainage (which is subject to a specific assessment as described in subsection (3) below).

(2) special assessments that the DEVELOPER deems appropriate for violations of the Declarations and damages resulting therefrom as provided in this Declaration.

(3) roads and drainage assessments, such assessments to be fixed, established and collected from time to time for the maintenance and repair of the roads and drainage areas and facilities of the Common Areas in perpetuity. These funds will be deposited in an interest-bearing escrow account and will be withdrawn by DEVELOPER in its sole and absolute discretion only for the maintenance and repair of any and all such roads and drainage areas.

The DEVELOPER shall not be required to pay any assessments whether annual or special for any Lot it owns in SPRUCE CREEK SOUTH; provided, however, DEVELOPER shall be required to pay for road and drainage assessments, if any, which are assessed against any Lots it owns in SPRUCE CREEK SOUTH. All such assessments, together with such interest thereon and costs of collection thereof including, without limitation, reasonable attorneys' fees incurred by the DEVELOPER incident

to the collection of such assessments, whether or not judicial proceedings are involved, and appeals, if any, shall constitute a continuing lien upon the Lot against which each such assessment is made. Said lien shall be effective from and after the time of recording a claim of lien in the Public Records of Marion County, Florida, and the lien shall continue in effect until all sums secured by the lien shall have been fully paid. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien. Each such assessment, together with interest thereon and cost of collection, including without limitation, reasonable attorneys' fees incurred by the DEVELOPER incident to the collection of such assessment, whether or not judicial proceedings are involved, and appeals, if any, shall also be the personal obligation of the person who is the OWNER of such Lot at the time the assessment is due and payable. No assessments may be offset by any claims by an OWNER or the Association against DEVELOPER for any reason.

Section 3. Delinquent Assessments. If any annual assessment or installment thereon is not paid within thirty days after the due date, a late fee may be charged by the DEVELOPER, and the DEVELOPER may accelerate the remaining installments of the regular annual assessment for that calendar year which otherwise would not be due, and declare the entire assessment as to that delinquent OWNER due and payable in full as if the entire amount was originally assessed. Interest shall accrue on any unpaid assessment whether or not accelerated, at the highest rate allowed by law. Accounts delinquent in excess of sixty (60) days or those twice delinquent more than thirty (30) days may be charged for the annual assessment for the next calendar year in advance and shall be subject to the same collections, lien and foreclosure proceedings as otherwise provided for herein. No owner may waive or otherwise escape liability for the assessment provided for herein by nonuse of Common Areas, the Recreation Areas, or abandonment of his Lot.

Section 4. Rights of Developer to Collect Delinquent Assessments. Liens for assessments may be foreclosed by suit brought in like manner as a foreclosure of a mortgage on real property. The

DEVELOPER may also sue to recover a money judgment for unpaid assessments against the OWNER personally obligated to pay same without waiving the lien securing same.

Section 5. Method of Setting Annual and Road and Drainage Assessments. The annual assessment may be initiated, increased and decrease by the DEVELOPER after considering current construction, operation, maintenance and repair costs and expenses and estimated future construction, operation, maintenance and repair costs and expenses.

Section 6. Special Assessments. Special Assessments may also be collected and enforced as provided in Article VI.

Section 7. Estoppel Certificates. Upon demand, the DEVELOPER shall furnish a certificate in writing signed by an officer of the DEVELOPER to any OWNER liable for an assessment. The certificate shall state whether said assessment has been paid and shall be conclusive evidence of payment of any assessment therein stated to have been paid. The DEVELOPER shall have the right to charge a reasonable fee for the Certificate of Assessment Liability.

Section 8. Allocation of Assessments Among Lots. The allocation of road and drainage assessments shall be set so that all Lots shall be assessed at an equal rate.

Unless designated as the responsibility of the DEVELOPER in Section 2 of Article VII, each OWNER is responsible for maintenance in good order, condition and repair of the interiors and exteriors of Residences and of all mechanical equipment, plumbing and electrical facilities located on the Lot servicing the Residence thereon, and any pool, hot tub, spa or similar facility located on a Lot, and any equipment and appurtenances. The OWNER shall promptly perform such maintenance so as to keep the Residence and Lot in a good state of repair. Specifically, it is the responsibility of the homeowner to keep algae, mold, mildew, and dirt off of the roof, gutters, soffits, siding, shutters, awnings, driveway, sidewalk, and light posts. No owner shall in any way maintain, modify or improve any areas for which the DEVELOPER has the responsibility for maintenance without prior written consent of the DEVELOPER. Each Lot Owner grants the DEVELOPER an easement to enter onto the property to maintain and repair it if the OWNER fails to perform required maintenance within ten (10) days of DEVELOPER'S written demand that the Lot Owner perform maintenance. Each lot Owner agrees to hold DEVELOPER, its employees and agents harmless for any maintenance actions taken. Each Lot Owner agrees to reimburse DEVELOPER for its costs associated with Lot maintenance. Each lot Owner agrees that, if not paid within ten (10) days, the cost of the Lot maintenance shall constitute a lien against the Lot enforceable, in accordance with the provisions of Article XII.

Section 2. Maintenance by the DEVELOPER. The DEVELOPER shall be responsible for the exclusive maintenance, and repair of the following:

(a) Lawn and Shrubs. The DEVELOPER shall maintain and care for the lawn and shrub areas within the Properties which are part of the Common Areas and Recreational Areas other than areas within utility and road easements over Lots, which shall be the responsibility of the OWNER under Section 1 of Article VII. Such maintenance by the OWNER shall be limited to

mowing, trimming and edging of lawns and shrubs. The DEVELOPER in its sole discretion shall determine the need for replacement and/or improvement of landscaping, lawns and shrubs.

(b) Private Roads, Walkways, Parking Areas and Paths. The DEVELOPER shall maintain and repair all private roadways, walkways, parking areas, paths and drainage areas, in any, throughout the Properties. In the event any such roadways, walkways, parking areas, path or drainage areas are damaged as result of negligence of an OWNER, or his family, guest, licensee, invitee, or tenant, the DEVELOPER may repair or replace such damage and demand reimbursement from such OWNER by delivery of written notice thereof. If such OWNER does not reimburse DEVELOPER within fifteen (15) days of such notice, DEVELOPER may levy a special assessment against OWNER for reimbursement, as provided in Section VI.

Section 3. Developer May Contract for Services. The DEVELOPER may contract for the management of all or part of the properties for purposes of carrying out all or a portion of the maintenance services provided for in this Declaration. The DEVELOPER may contract with public or private utility companies, including without limitation a private utility company with which DEVELOPER is affiliated or controls, for purposes of supplying utility services to the Properties and the costs and expenses charged by such utility companies shall be separately billed to the OWNER of a Lot by such utility companies and shall not be included in the annual assessments.

ARTICLE VIII

Section 1. The Properties Subjected to Restrictive Covenants. In addition to other restrictions, reservations and conditions set forth elsewhere in this Declaration, the Properties shall be subject to the following restrictions, reservations and conditions, which shall be binding upon each and every OWNER, with the exception of the DEVELOPER, including, without exclusion any OWNER who shall acquire hereafter a Lot or any portion of the Properties, and shall be binding upon their respective heirs, personal representative, successors and assigns.

The DEVELOPER further reserves the right to restrict access to the development by lot owners' business invitees and those persons or businesses which have contracted with or have been hired or engaged by the lot owner to provide any construction, maintenance, landscaping or other business services to those individuals and companies which meet the license and insurance requirements which may be published from time to time by the DEVELOPER.
